

ST. ALBANS EAST PRIMARY SCHOOL

Curriculum Newsletter—Term 2: Grades 3 and 4

SAEPS inspires to cooperate with not only students but their guardians as well and seek to form open lines of communication to strengthen the growth of students

SAEPS sees learning as a shared responsibility and students are encouraged to learn through all aspects of their lives in and out of the classroom

SAEPS encourages all members of the community to respect all cultures, genders and life choices.

SAEPS places a high importance on creating students that take responsibility for their own actions

Reading

In reading, students will be focussing on learning to infer meaning from texts. They will be using information from the text and their own experiences to gain a deeper understanding of what they have read.

They will also be learning how to search for information in texts, and thinking about the purpose of features such as titles, diagrams, contents etc. This will support their comprehension.

Writing

In Writing, students will learn about the 'persuasive genre' and will be challenged to share their ideas and opinions through their writing.

They will also be learning how to write narratives, using the structure of orientation, problem and resolution. Students will develop settings and characters, thinking about their thoughts, actions and feelings.

Speaking and Listening

In Speaking and Listening, students will be encouraged to share their thoughts and ideas through all areas of the curriculum. They will have the opportunity to share their opinions and take on leadership responsibilities.

Number and Place Value

In Number, students will be learning about addition and subtraction. They will be learning how to use different strategies to solve addition and subtraction problems, and explore the mathematical vocabulary involved when solving worded problems.

Measurement and Geometry

In Measurement and Geometry, students will learn about two and three dimensional objects and describe them using formal language. They will also begin to compare the areas of regular and irregular shapes.

Students will also be learning about maps, using grid maps, simple scales and legends to show position and

Resilience Rights and Respectful

Relationships

Students will work on developing their understandings about how to cope positively to physical, social and emotional change. They will also learn about stress management, and identify coping strategies that they can apply to help them cope with change and challenge.

Inquiry

This term, students will be investigating healthy relationships and lifestyles. They will learn the importance of staying healthy, safe and active and how to maintain a healthy body and healthy mind.

Students will learn about how their thinking influences their relationships and personal wellbeing, and which strategies they can employ to manage social, physical and emotional change.

Homework

* Complete 10 minutes of reading from Monday to Friday

- Complete tasks set by the classroom teacher.
- Parents to sign school diaries at the end of each week.

Water Bottle & Brain Food

We would like to see students bring in more fruit and vegetables to snack on during the day. It is also important that students bring a water bottle.

IT'S NOT OKAY TO BE AWAY

All students are required to attend school each day however, if your child/children are sick, we encourage you to give them time to fully recover before returning to school. It is also important that you notify the school about any absences, the day they are away.

Important Activities in Term 2

Friday 4th May

Curriculum Day

5:30pm-7pm

Tuesday 15th, Wednesday 16th

and Thursday 17th May

NAPLAN

Friday 11th June

Queen's Birthday

Friday 22nd June

MCG Excursion

Student-led Conferences

Tuesday 26th June

End of Term

Friday 29th June

Teachers of 3/4

Room 1 Dianne Linsell

Room 2 Grant Mussel

Sue Cerminara

Room 4 Melanie Meehan

Sue Cermina

Room 7 Lana Dimitrijevic

Room 8 Lil Petruccelli
