Bringing Up Great Kids

Parenting Support Program

About the program

Are you interested in learning more about children's development and how that affects their behaviour?

Do you want to know some other ways to listen and talk to your child?

This program supports parents of children of all ages to:

- Build communication with their children
- Promote a respectful relationship between parents and children
- Encourage the development of children's positive self-identity

This is a FREE program running over 6 sessions:

Time: 9.30am - 11.30pm

When: Friday 24th February 2017 - Friday 31st March 2017

Where: St Albans East Primary School

There is a FREE child minding
