From the Principal

Dear Parents, Guardians and Friends,

Welcome to all of our new students, families and those returning to St Albans East Primary school. We have had a very smooth start to the New Year. It was lovely to see so many excited faces on our first day back for Prep – Yr 6 students on Tuesday. It was also wonderful to welcome our 66 preps starting school for the first time and we welcome new families to our school. As the new principal starting at St Albans East PS can I thank everyone for their warm welcome and kind words. I have had the opportunity to visit all grades and meet a number of parents out on the yard and encourage you to come and have a chat.

What are we learning?

We have had many positive comments on how quickly the children have settled into the new school year. All classes have been busy learning about their topics through the Inquiry Process. All classes across the school are learning about how to keep their bodies healthy. This will enable connections with learning when the Life Education Van comes to our school during March. The dates for the Life Education Van are March 20th – March 28th.

An Inquiry process allows students to learn about the world and ask questions and learn ways of collecting analysing and using the data they have collected. Through this process of learning and thinking, they develop their skills in literacy and numeracy.

Next week all students will receive a learning newsletter and their classes’ timetable. The learning newsletter explains what knowledge and skills will be covered this term.

School Photos

School photos will be on the 1st of March 2017. Student photo order envelopes have been distributed to every student and it is important that the order instructions are followed. Family/ Sibling photo order envelopes can be collected from the school office.

Attendance

Arrive on time “It’s not ok to be away”

One valuable way to enhance children’s success in school is to ensure that children arrive on time and in time to prepare for the day ahead. It is a fact that lateness and low attendance affects your child’s literacy and numeracy learning directly.

St Albans East PS have identified student attendance at school as a priority area this year to support student learning and social development.

Picking Up Students After School

Parents are reminded that after school pick up times are from 3.15-3.30pm. Staff are out on duty until 3.30pm and supervising children. Supervision is not provided after this time. Please make the necessary arrangements for your child to walk home or be picked up by 3.30pm. If this is difficult, you may like to utilize Camp Australia (1300 105 343) who run a wonderful after school care program.

Meet the Teacher

Meet the Teacher is scheduled for 21st & 22nd February further details will be circulated next week. This is a great opportunity for students and parents to visit their child’s classroom, meet and chat with classroom teacher.

School Hats

School hats must be worn in Term 1 and can be purchased from the school office.

The prices are $10 for a Legionnaire or $12 for a Wide Brimmed hat.

STUDENT WELLBEING AT ST. ALBANS EAST PRIMARY SCHOOL

At St. Albans East Primary School we have a Student Wellbeing Worker (SWW) who is available every Tuesday and Wednesday, and every second Monday.

Agnes Capanda is the Student Wellbeing Worker at SAEPS and her role is to provide social and emotional support to students and the wider school community. This is done primarily through building a relationship of trust and respect, and being a positive role model who is available to listen.

Support could be individual or group-based (focusing on issues such as anger management, feelings, social skills, self-esteem, grief and loss, friendships etc.) and may also involve referral to other (appropriate) support services within the community.

Please do not hesitate in approaching the Student wellbeing worker if you have any questions or require assistance for yourself or your child.

Hi everyone, Well it's term 4 and almost the end of the year.

Places are open this term for new students to come to the Breakfast Club and Aftercare.

Afterschool Care is a great way for children to make friends with others. Our group activities help children to increase social interactions and communication.

Breakfast Club is a good way to start the day by eating a good breakfast and meeting new friends.

Last term, the children enjoyed celebrations such as Football day, Sports day and Book Week.

Each week at aftercare we have held a masterchef cooking taste test where the children get to taste new healthy foods put on the menu by the new Camp Australia Cookbook. This is done on Tuesdays and Thursdays.

Each child then rates how the food tastes by putting a score down on a piece of paper.

This term we are still doing our cooking experiences but also celebrating end of year events such as school concerts and Christmas. We will also be doing craft, sport and creative drawing experiences.

(special noodles were on the menu and Julian and Arden enjoyed eating them)

To join in the fun, just log onto www.campaustralia.com.au and register. You can also contact Jillian on 0428485444

Term 4 Operating times are: Breakfast Club 7am to 8.45am Monday to Friday
