

Welcome back as we start Term 3. It is always great to welcome back our students all smiling and ready to go for another term. We welcome all new students and families to our St Albans East Primary School family.

PREP ENROLMENTS 2027

Prep enrolments for 2027 have already commenced. If you have a child who will be coming to our school for the first time in 2027, please complete an enrolment form, (available on our school website or at front office) at your earliest convenience.

We are excited to announce that our Pre-Prep Program has commence in Term 3. This program is designed to support a smooth and positive transition into primary school, helping children become familiar with the school environment, routines, and learning experiences. Further details, including session times, key dates, and enrolment information, will be shared with you very soon. We look forward to welcoming our future learners and working in partnership with families during this important stage.

Parent Opinion Survey

Our school will be conducting a survey to find out what parents/caregivers/guardians think of our

VISION

"We are committed to providing a *safe, inclusive and engaging* learning environment that nurtures *personal and academic excellence* as community-minded *life long learners*."

school. The Parent/Caregiver/Guardian Opinion Survey is an annual survey offered by the Department of Education and Training designed to assist schools in gaining an understanding of families' perceptions of school climate, student behaviour and engagement. Our school will use the survey results to help inform and direct future school planning and improvement strategies.

Victorian Reading Challenge

The Victorian Premiers' Reading challenge is now open at St Albans East Primary School. Regular reading from an early age is vital for success at school and has lifelong benefits. The Challenge encourages children to read more and promotes a love of reading. It also supports the Education State target to have more students reaching the highest levels of achievement in reading. We encourage all students to participate. **The Challenge for schools is now open and will run until September 2026.**

28 Aug	Lego Land Writing Workshop	Gr 1
2 Sept	Royal Flying Doctors Service	Prep
7-9 Oct	Anglesea Camp	Gr 5 & 6

ST ALBANS EAST PS

SPHERO SOCCER CUP

The final week of Term 2 saw Room 1 transformed into a buzzing indoor stadium as students competed in our inaugural Sphero Soccer Cup.

To celebrate the excitement of the World Cup, classes from Foundation to Grade 6 selected three representatives to battle it out using Sphero bots in a fast paced and action packed version of soccer. Throughout the week, teams showcased fantastic teamwork, strategic thinking, quick decision making and plenty of determination as they rolled, defended and scored their way through the competition.

The atmosphere in Room 1 was electric, with classmates and staff packing in to cheer on their teams. Every match brought plenty of excitement, with several games going right down to the wire. One of the standout moments came when 6B secured a dramatic tie-breaking winner to book their place in the Senior School Semi - Finals.

After an incredible week of competition, the Senior School Finals delivered everything spectators could have hoped for. **4C** and **5A** both won thrilling semi finals before meeting in a closely contested Grand Final. Congratulations to **5A**, who were crowned our Senior School Sphero Soccer Cup Champions after an outstanding performance.

One of the funniest moments of the week came on the very first day of competition. When **5A** students arrived to cheer on their class, they quickly realised that no team had actually been selected to compete! Racing back to their classroom to grab their iPads, they returned just in time to take the field.

After going on to win the Senior School Sphero Soccer Cup later in the week, the team reflected on their unlikely start with the perfect quote:

"Just goes to show that sometimes you just need to turn up!"
- 5A Team

It was a brilliant reminder that opportunities can come from simply being there and giving something a go!

The Junior School competition was just as exciting, with students displaying excellent teamwork, resilience and sportsmanship throughout the day. After a series of fun and competitive matches, congratulations to **2A**, who were crowned our Junior School Sphero Soccer Cup Champions.

A huge congratulations to every student who represented their class throughout the week. The competition was filled with encouragement, respectful play and plenty of memorable moments, making it a fantastic way to finish an amazing term!

**Congratulations
5A and 2A**

PE NEWS

House Athletics Carnival Wrap-Up

Last term, students in Years 3-6 took part in our exciting House Athletics Carnival. It was a fantastic day full of cheering, teamwork and great effort from everyone.

Congratulations to all ribbon winners!

A big shout-out to Green House for winning the 2026 Athletics Shield!

Well done, everyone!

Congratulations to the following students who won ribbons for their events!

Prep PMP

Last week, the prep classes had their first PMP session and had so much fun!

PMP stands for Perceptual Motor Program. It is a structured physical program designed to help students develop the fundamental motor skills. The focus is on balance, coordination, spatial awareness and body control, all essential for building confidence and competence in movement.

Prep students will participate in the program every Friday morning, run by our wonderful PE teacher Vanessa Montalti with help from our grade 6 house leaders.
