## ***MELBOURNE AQUARIUM EXCURSION WEDNESDAY 28 MAY 2014 ROOM 17, 18, 19, 20, 21***

Dear Parents/Guardians,

Rooms 17, 18, 19, 20 and 21 are studying Science as part of their Inquiry this term. The unit is on Life Cycles, Living Things and their dependence on each other and the environment to survive. We are organising an excursion to the Melbourne Aquarium on Wednesday 28 May 2014 where students will participate in a two hour guided educational tour and will learn about marine life, food chains and food webs. They will also discover the importance of the relationships between animals for their long term survival.

**We will travel by bus. We will depart from school at 9.30am and return by 3.15.**

**The cost is \$25 – this includes bus travel and the guided tour at Aquarium.**

**Students are required to wear school uniform and comfortable walking shoes. We will walk along South Bank/Yarra River and visit some popular landmarks.**

**Students are to bring a snack and lunch (no glass bottles). We will eat lunch at Batman Park.**

**All students are required to attend this excursion as this is a school activity.**

**Please pay, sign and fill in details on the back of envelope and return to school.**

**Thanking you for your co-operation.**

**Lil Petruccelli, Sophie Stefanidis, Kristen Williams, Di Linsell, Daniel Condon and Deaf Facility Staff**
